Helping women find their way through unplanned pregnancy.

From the Executive Director

As I step into the role of Executive Director at Directions Medical Clinic, I am filled with gratitude for those who came before me, serving with a shared heart and a deep commitment to helping women find their way through unexpected pregnancy.

This has been an incredible year for DMC. We celebrated our AAAHC accreditation, completed the Stockton remodel, and opened our Stockton intermittent clinic. Each milestone reflects the dedication of our staff, volunteers, and supporters who believe every woman deserves high quality, compassionate care.

I am hopeful and excited for the season ahead. God is moving in this ministry, and there is so much more to come.

Thank you for your partnership, your prayers, and your belief in the work we can accomplish together.

Blessings,

"I entered nervous but left with peace and comfort." DMC Patient

Fall Fundraiser

Our annual Fall Fundraiser was a wonderful success. It was a time of celebration, laughter, and looking ahead with hope.

We also exceeded our goal, raising **\$113,025!**

We are incredibly grateful to everyone who helped make this event a success. The support and presence of our guests reminded us how many people care deeply about the women and families we serve.

We would also like to thank and acknowledge our sponsors for underwriting this event, including those who chose to remain anonymous.

We would like to extend special thanks to our sponsors:

David & Pamala Payne
Bruce Schweigerdt
St. Joachim Catholic Church
First Baptist Church of Stockton
Horizon Community Church
St. Anne's Catholic Church & School
Dr. Robert & Jamie Howen
Dennis Altnow
Bank of Stockton
Patricia J. Gotelli
Horizon Christian Fellowship
Doug & Erika Robinson
Don & Peggy Walters
Quail Lakes Baptist Church

Medical Services in Stockton

Over the summer, we received our intermittent clinic license for our Stockton location.

Many people have prayed and worked for this for many years and we are excited to finally see it come to pass!

As of the time of this newsletter, we are still waiting for a lab license which will allow us to administer pregnancy tests.

We have, however, begun administering ultrasounds in Stockton and offering nurse consultations.

Please pray with us as we await the lab license and pray that women who are seeking abortions or are undecided about their next steps make their way to Directions!

DMC STOCKTON EXAM ROOM

A Thrill of Hope

As we enter the final weeks of the year, we are excited to launch our annual end of year campaign, *A Thrill of Hope*.

This season reminds us that hope often begins in quiet places, in the moments when a woman discovers she is not alone and someone is ready to walk with her.

Every gift given through this campaign helps us offer compassionate medical care, education, and support to women and families facing unexpected pregnancy.

Together, we can create a future filled with hope for every woman, every story, and every heart.
