## From the Executive Director: 2025 Impact

As we reflect on 2025, we are reminded that every number tells a story.

A woman seeking clarity in the midst of uncertainty. A family looking for support. A life met with compassion, dignity, and care.

Your partnership made it possible for Directions to walk alongside hundreds of women and families last year, with honesty, respect, and hope. Through medical services, education, and ongoing support, no one had to navigate an unexpected pregnancy alone.

In this newsletter, you'll find highlights from our 2025 Impact Report, words from the women and families you helped serve, and updates on two ways to continue investing in this mission.

Thank you for being part of this work and for believing that every person deserves care, dignity, and support.

With gratitude,

Executive Director
